The due date is hard to spot on a quick read. We've added the 60-day deadline to the respond to: section for further clarity. This cover letter should read the same as the OWDF letters.

I didn't find a due date in the cover letter for the response. I did a quick skim of the response and the due date wasn't obvious. I liked the cover letter that Cindy drafted for the OWDFs.

The 114 is being refined, but we don't anticipate it to change much. I've attached the latest version.

I'm going to work on the RA briefing paper today, using the info Scott provided and our earlier briefing paper. We discussed attaching a draft 114. Is this ready? Also, if there are updates from recent meeting with DOJ or other updates, I'd like to include so just email me and I'll put it in the paper which is due today.

Thanks!  
Suzanne

Here's my take on next steps for roll-out/case initiation for the Alternative Tanks Strategy.

Thanks,
